OFFICE OPERATIONS

Our office is in the district of Miraflores, from where BPAC operates. To carry out our daily work, we have an operating license from the Municipality of the district of Miraflores, as well as a safety certificate, both of which are in force to date. It is worth saying that we are complying with all the operational and safety requirements for our organization and personnel.

Since 2017, we carry out our financial and economic operations with Interbank, through current accounts in dollars and soles. This relationship has been given since the beginning of 2017 when Confederacion Panamericana de Badminton (formerly BADPANAM) registered to carry out its operations and activities from Lima -Peru.

Our relationship with the bank and its agents are on very good terms and the facilities they give us to operate are developed normally. Please note that this is the only Bank in which we have accounts.

FINANCIAL STATEMENTS AND AUDIT

Our operation is carried out entirely from Lima - Peru, operating within Peru, we are under compliance with the tax regulations according to SUNAT (local tax authority). Our financial statements are circulated in our AGM each year as are the annual audit reports. For fiscal year 2023 we have contracted the services of the RSM Peru- Panez Chacaliaza y Asociados Company, which has been approved at our AGM 2023.

They are responsible for auditing our financial statements, which are known to the executive committee and subsequently to the general assembly.
