

## BPAC EVENTS AREA 2024 ACTIVITIES REPORT

### INTRODUCTION

We are pleased to provide this report, which highlights 2024's programs and activities progress. BPAC collaborates with their MA's to deliver programs and activities that will develop, and assist identified high performance athletes, coaches, and Technical Officials (TO) to achieve excellence and success at international level through high standards of continental circuit implementation and continues TOs preparation and training.

### 1. TOURNAMENTS

A lot of effort is made to improve the quality of our tournaments as they serve as a showcase for athletes. This led to increased viewership, fan engagement increasing the opportunity for monetization through sponsorships, advertising, and merchandise sales.

In 2024, 9 Member Associations hosted 14 World Ranking tournaments (including Junior International Tournaments), out of the 3 Continental Championships (Team, Individual, Junior)

Tournament Level	# Tourn.	Hosts
Junior Future Series	3	ESA, GUA, PER
Future Series	5	CRC, CUB, GUA, MEX, VEN
International Series	4	ESA, MEX, PER, SUR

## 2. TECHNICAL OFFICIALS

BPAC events is committed to assisting our TOs to perform at their best ability and demonstrate their full potential that the different tournaments demand.

### 2.1. LOCATION

BPAC Events area have collaborated with the MA to prepare Human Resources that will be the force to manage the local or international tournaments to be offered.

By 2024, 19 Member Associations have a “Continental” Technical Official by BPAC, their number changes according to the number/level of events the MA delivers had hosted during the time.

This chart represents the number of “Active TOs” from all 19 MAs until the date.

### 2.2. PARTICIPATION

As the level of the tournament and their demands increases, our TOs need to keep gaining experience.

BPAC supports the nomination of Umpires and Referees to take part in the tournaments of the BPAC Circuit by covering their flight tickets considering if they have been nominated by the Assessors Panel or have applied for support through the “Participation Program”

MA's representation	12
Gender distribution	20 M / 7 F

### **2.3. ACCREDITATION / CERTIFICATION**

Still an ongoing process, monitoring and implementation of supporting/upskilling programs have led to an increase in numbers.

It is worth mentioning that the process for Accreditation and Certification has been changing through the years until the date.

The new process for these programs, besides including the support of the Member Associations that the candidates represent, also includes control points that ensure the candidate meets the requirements to successfully go through to an Accreditation or Certification assessment.

This process contains the following requirements.

- Member Association's recommendation letter. (Accreditation/Certification)
- Submission of the yearly Record of Work. (Accreditation/Certification)
- Curriculum Vitae focused on Badminton experience:
  - Involvement in the Member Association.
  - Experience as a Technical Official and how they support their Member Association.
  - English Level (Speaking, Reading, Listening)

After reviewing all the nominations, the Assessors Panel invites through the BPAC Events Area all the potential candidates for an individual interview via Zoom.

- Interview with member of the Assessors Panel for regulations and communication skills knowledge assessment.

Thanks to this implementation the Continental Assessment successfully has increased the ratio of accreditation and certification process in the last couple of years.

## 2.4. TO's UPSKILLING PROGRAMS
