💡 OFFICE OPERATIONS

Our office is in the district of Miraflores, from where BPAC operates. To carry out our daily work, we have an operating license from the Municipality of the district of Miraflores, as well as a safety certificate, both of which are in force to date. It is worth saying that we are complying with all the operational and safety requirements for our organization and personnel.

Since 2017, we carry out our financial and economic operations with Interbank, through current accounts in dollars and soles. This relationship has been given since the beginning of 2017 when Confederacion Panamericana de Badminton (formerly BADPANAM) registered to carry out its operations and activities from Lima -Peru.

Our operation is carried out entirely from Lima - Peru, operating within Peru, we are under compliance with the tax regulations according to SUNAT (local tax authority). Our financial statements are circulated in our AGM each year as are the annual audit reports. For fiscal year 2024 we have contracted the services of the RSM Peru- Panez Chacaliza y Asociados Company, which has been approved at our AGM 2024.

💡 RELATIONS WITH BWF

At this point we refer to the very good relationship and communication with BWF through its different areas which have allowed us to advance in the part of programs and guidelines for the benefit of our sport in the region, receiving very good feedback during our Meetings.

We received last November the working visit from John Shearer (Development) and Fern Gilders (Events), for 3 days. We took the opportunity to coordinate this working visit, after the Acapulco Para badminton activity.

We covered presentations from our area Staff and revised our plan and an overview of our Confederation. This was a great opportunity for our whole Staff to exchange in person information with both, Ms. Gilders and Mr. Shearer, and look forward to a successful and continuous collaboration.
