## Confirmation of Quota Places

- a) Country ranking is determined by adding up the points of the highest ranked player/team from each country in the Men's singles, Women's singles, Men's Doubles, Women's Doubles, and Mixed Doubles. (a maximum total from the five rankings) using the **February 28 (week #9), 2019 BWF World Ranking**. The higher the number of total points, the higher the country ranking.
- b) The allocation belongs to the country and not to the athlete individually. Each NOC can develop its own procedure to select its competitor(s) to participate in the Badminton competition. To be entered, each competitor must also be eligible to participate in the **XXVIII Pan Am Games LIMA 2019**.
- c) Depending on the number of countries that actually enter players in the **XVIII Pan Am Games, BPAC** has the right to adjust the participation levels up (where there are less than forty-four (44) entries per gender in the initial allocation) or Pan Am Games Lima 2019 Qualification system down (where there are more than forty-four (44) entries per gender in the initial allocation) to reach the athlete quota, that is, forty-four (44) men and forty-four (44) women.
- d) BPAC will inform PASO and National Federations the places assigned to each NOC by **March 4<sup>th</sup>, 2019**.
- e) PASO will inform to NOCs the quota places assigned for Badminton Competition.
- f) The NOCs will confirm to PASO and BPAC the use of the places assigned by March 18<sup>th</sup>, 2019.

## Reallocation of Unused Quota Places

In case the quota of forty-four (44) men and forty-four (44) women are not filled in the initial location, additional spots will be allocated as follows:

Beginning with the 4th ranked country (three (3) or less entries), each ranked country, in rank order will be allowed to enter one (1) additional man and/or woman until the field is full or all countries have been offered and additional player, whichever comes first. If the field is still not full, then the process will repeat itself until the field is full, with each country limited to four (4) men and four (4) women entries.

This process will be completed by **March 20<sup>th</sup>, 2019**.
